The revelations of this book will astound you! They will explode like a roar of controversial thunder upon the polarized new age clientele, crystalized Christian apathy, and diabolical dogma. But immediately in their wake, from horizon to horizon of men's minds, will follow a great flash of Light, illuminating understanding in the freshened spiritual atmospheres.

However or whatever your reaction to the contents, they will not leave you the same as you were, or where you were, in your evolving consciousness of the times. The Guardians who orbit the Planet Earth have sent to Earthians their final word: this is our moment of Truth, to cast aside the old traditional hangups and be liberated through our Free Will to choose to be chosen to become a part of the New World Order!

In "PROJECT: WORLD EVACUATION", the Ashtar Command has combined the voices of many spiritual messengers who give forth identical revelations from the Guardian Action surrounding the planet. It has been written, "When I was a child, I spake as a child, but when I became a man I put away childish things." It is time for God's people to grow up and face the reality that is upon us.

On the basis of your right to know, the Publishers make no apology for this book!

BY THE DAWN'S EARLY LIGHT.....

The compilation was nearing completion. Necessary housework haunted me. Friends were thinking I had withdrawn from the human race! Dinner invitations went begging. My public life had almost ceased. During these busy days, while attempting to meet a publishing deadline given by my Space Friends, I had been arising about an hour before sunrise, when first light appeared in the eastern sky.

One morning as I turned to silence the alarm, my gaze fell on the eastern bedroom window. There, beyond the left corner, I beheld *the largest, most brilliant ship I had ever seen*. A long groan escaped as I thrilled with peace and love, watching it beautify the clear and otherwise empty sky. Stars were no longer visible. Much light had already spread across the horizon. The edge of the magnificent craft sparkled as if rimmed in diamonds strategically spaced at certain points. The distance was great; nevertheless, I realized its tremendous size, and thought surely this must be one of those etheric cities they speak of.

My window is five feet wide, but two feet

The objective is to give mankind a place to turn for answers on "what's going on here?"

The Guardians have stated:

"Information can erase ignorance! The well informed are not caught unaware. We hope to see critical and important world events dealt with from spiritual levels as well as social. We shall exert exposure of things that are hidden by those who mastermind planetary slaughter. Guidance shall discover the work of the dark ones. THE FOCUS OF CHANGE

A new birthing is imminent  
Which transcends all understanding  
Of life as we know it on earth.  
The planets are lining up,  
Waiting for orders  
To march in procession.

A grand scheme of the Universe  
Is making its claim,  
As each one falls in place  
In ordered succession.  
What powers there be  
That call spheres by their name!

To move out in action--  
To further the Plan  
Of God's Divine Purpose  
Created for man.  
So let us stand steadfast  
And welcome the changes

That will help us to grow  
Into more understanding  
Of all of His ways;  
Let's welcome His fiery  
Celestial show!

THE FALL OF EXTERIOR RELIGION

- by ESU (JESUS THE CHRIST)

1

My name is ESU on Celestial levels, known to earth as Jesus the Christ. I Am the Way, the Truth and the Life. For these many centuries, I have looked upon the souls of men as they scurry hither and yon upon the earth, striving with their ambitions, forcing themselves forward in their desire for self esteem. I have watched with much disheartenment as the institutions which bear My Name have long forsaken My Principles and overlooked My Teachings. I have stood by in the shadows, while those intended to represent My Work and My Words have forsaken Me utterly in their struggles for political place among their fellows. I have seen hunger within the hearts of those who have come into these edifices and I have watched them go their way unfilled.

While great human need on a mass level prevails throughout the planet, I have observed the spending of vast sums of millions and millions of dollars on temples of stone that men might glory thereby, but these shall crumble in the dust. This ostentatiousness in My Name has grieved my heart again and again. I did not give My Life for such as this. I did not come to be made into a God. I came as one of you, to show you the Divine Possibilities that abide within every human life. I came to show the Way, the Path, the Truth, but the world has chosen to exalt Me and My Name, but to ignore and forsake My Teachings of the inner kingdom.

THE DIAMOND

"The many-sided facets of a beautifully cut diamond are designed to pick up and reflect the light from every possible angle and direction."

"Your vigil with us will be as the cutting of a precious diamond. Light from many directions will be anchored within your own being, then reflected out again to the World."

"From many rays of many colors, you shall receive the Light and reflect back again as the diamond does. So there will be messages on every ray of approach and presentation, in order that as they are reflected into the souls who receive them, the blending of the rays and colors, will create a beam of white Light, shining upon those who read."

"A well-cut diamond thus becomes the symbol of the book. A precious gift from the Diamond Heart of the Heavenly Father. And this, too, shall be His, when He makes up His Jewels."

another angel ascending from the east, having the seal  
of the living God; and he cried with a loud voice to the four  
angels to whom it was given to hurt the earth and the sea,  
'Hurt not the earth, neither the sea, nor the trees, till  
we have sealed the servants of God in their foreheads.' "  
Rev. 7:2,3

The fascinating concept that links the Extra-terrestrial Armies with the work of the angels, whom the Heavenly Father charged to watch over those who would be the 'HEIRS OF SALVATION,' is inspiring to consider.

At a group meeting in Prescott, Arizona, questions were put to trance medium Bob Graham, by someone as a test, who wanted to hear from another source just who Ashtar was. Joshua was the source of the transmission, received clairaudiently by Bob. The session went like this:

Question: "Who is Ashtar?"

Answer: "Ashtar is of the herald angels, and first manifested in the early '50s through so-called UFO type of communications with individuals like George van Tassel and others, awaiting the return of the herald angels, who are the participants in the so-called UFOs that have manifested from time to time. They are observing from their sphere (which is not physical) the actions of men and nations as the periods of time ripen for the return of the Christ, who will return on those same clouds of heaven, which are partial or full materializations of the vehicles used in the celestial realms.

"Ashtar is known to have materialized, and also, his craft has materialized. They refer to our planet as planet sector Schäre. The ancients of old would have referred to them as the 'herald angels.' Ashtar and others, including Excelsior, are a very vital link between the various celestial spheres and our own in this great network of holy spirits, whose primary function is to enlighten mankind.

"They also play a very important role in preserving the United States from extinction by warring forces that are soon to attack its shores. That only by this divine intervention will the enemy be driven, and that the destiny of the United States will be assured as the example that will be set as Christ returns, and that this nation will serve

glass breaking; buildings falling; ground shaking and gaping with huge cracks; debris falling all around you!

*Think NOW! What shall I do? Answer: REMAIN CALM and WITHOUT FEAR. Maintain an inner peace of mind and STEP INTO THE LEVITATION BEAMS which flow from the underneath center of our space craft.*

As you are informed now as to what to do, SPREAD THE WORD to everyone you know. BE FAITHFUL TO GOD! THE TIME IS VERY SHORT! Perhaps we shall no longer be able to restrain the tilt of the earth's axis, as we have been able to do with our energy beams and transmitters for the past several years.

*There is still a chance--a slight chance, that this great upheaval can be avoided. However, it will take extreme cooperation from you people of Earth--cooperation unlike you have ever exhibited before in this age.*

1. Avoid giving off negative energy through your distrust, greed, hatred and begin to help each other. By helping each other, you give off positive vibrations (energy). LOVE GOD. The positive energy in large mass will neutralize the weight of negative energy which has built up around the pole of your planet--this could keep it from tilting if enough positive energy is received in time. Your planet is a living organism. Send mental positive energy by thanking the earth for all its bountifulness you have received.

2. By whatever *peaceful* means at your disposal put sufficient pressure on your government(s) to permit us to land our spaceships on your planet and meet with your leaders and offer them our assistance and technology. WE WILL NOT DO THIS UNTIL WE ARE ASSURED WE WILL NOT BE TREATED WITH HOSTILITY OR BE INCARCERATED. With the cooperation of your world governments, we can greatly help you in more orderly evacuation of your planet, if indeed it still becomes necessary--WHICH IT MAY!

operating in space and which visit planets in other solar systems.

"We also have what you know as 'mother ships' or 'mother craft,' with many many smaller craft coming and going from the mother ship. There is a great deal of activity in what earthlings think of as 'empty space.' We are capable of invisibility and when our craft are traveling beyond the speed of light, we do become invisible to the physical eye.

"Our purpose is service, and we go where we are needed anywhere in this sector. Our headquarters is on one of the largest of the mother craft, and orders and instructions come from this craft. It is a city in itself. Most of our people are natives of one or another of the planets in this solar system, but also we do have those working with us from other solar systems. Our workers do visit their home planets at various times on what you might call vacations. Most of us have worked together for a very long time; we are a well-knit Confederation and feel that we are an effective one.

"I will leave you now in the Light of the Creator. I am Ashtar. Adonai."

★ ★ ★

*Commander Korton gave me this brief discussion concerning the heavenly organizations:*

"It is well to anchor the truth of the heavenly groups within Earth's hemispheres to help persons of Light to understand the Etherical patrols and to properly assess the Guardians. Those of other universes, are not forbidden to come. Earth souls need some source of evaluation to exercise and measure their own discernment.

"The Ashtar Command of this hemisphere embodies all of the lesser Commands that are a working volunteer portion of those aligned with the Great Brotherhood of Light to lift the vibrations of planet Earth, hopefully to prevent disastrous action

and calamities which might destroy it and interfere with the galaxy as well.

"Now let us consider the situation that prevails for the present in the organization of the heavenly forces. We have 592 different Commands formerly of the local Planetary Confederation for Interplanetary Peace, that are now joined in unison with the Alliance of Planets now known as the INTER-DIMENSIONAL FEDERATION which forms the great Intergalactic Council. Your own Saturnian Tribunal is representative of this solar system, while the Intergalactic Council is representative of the Universe. We remain and work for service to Earth within this Universe alone, as do you.

"However, there are millions of other worlds within other universes representing untold galaxies, who also traverse the heavens and weave in and out of solar systems, usually on exploratory and fact finding missions for their own universities and laboratories or scientific experiments. These also represent many contactors with persons on your planet. It is not unwise for souls to learn of these many sources, their purpose and the fact that many of these would not even be aware of the personnel of our local Commands and Forces. Likewise, very many of these are also unknown to me and my comrades. This is a point worth remembering. This is Korton, closing transmission."

★ ★ ★

*In the highly respected Bob Renaud material (originally presented by Gabriel Green in FLYING SAUCERS INTERNATIONAL\*), part 15 of Issue 19 contains a fantastic report of the Third Conclave of Elder Masters, held on Arcturia. Master Kren Lor was speaking concerning the History of the United Galaxy and Alliance:*

"The tremendous organization now known as United Galaxy Alliance, is also called the UNITED WORLD ALLIANCE, the ALL WORLDS FEDERATION, and the GALACTIC UNISON."

An evacuation update (through Tuella, June 1984). Commander Ashtar speaks to the date seekers:

"Listen, Eagles: I am here to discuss the question that comes so often to the Light Workers. So many souls still involve themselves in the dates and such, pertinent to their lifting. Although it was explained in our book that no dates could be given, I repeat again that which so many have clearly explained who serve with me, that dates will not be given!

"We are not fortune tellers. We see processes set into motion, energies gathering and gaining momentum; we observe changes weaving their pattern in a situation. However, no member of our Commands nor of the Spiritual Hierarchy can give mankind a certain date, and should such be done, then use much caution and discernment concerning it, for this is not in harmony with things as they are.

"The will of man collectively, events upon the planet, and the possible progression and advancement of the Light as well as the darkness--are all involved in the details of events that would lead to the lifting up and the gathering of the Eagles, as well as the full phases of an evacuation of the planet of the remnant. The importance that must be stressed is not the moment in time, but the preparation for that moment, on the soul level. This is where the emphasis must be placed and is where it will continue to be placed. For one who is totally ready and qualified, there is no need for dates to be given until the very moment has come. Howbeit, in *no instance* will individuals be given long periods of notice for readiness, but only short notices would be given, for security purposes.

"I would ask that this be passed along to the Light Workers; not to seek for a setting of time, but for a thankfulness of an extension of time in which to spread more Light throughout the planet thus to prepare many others. This is the call and the mission, to 'occupy' until He comes Who must come!"
