STAR SYSTEMS

Some time ago we asked Wendelle Stevens to make a list of planets or star systems he was aware of through contacts made. The following list is the result with a couple John Parker and I added.

Planet Acali Antonio Tasca, Brazil

Planet Acart Artur Berlet, Brazil

Star System Betelguese SMS Charles Moody,
USA

Star System Centaurus A. Horst, Bolivia

Star System Coma Berenices - Apolinar
Villa, USA

Star System Cygnus Eduard Meier,
Switzerland

DAL Universe Eduard Meier, Switzerland

DALs: Origin unknown? A very advanced race; by the name of the Timors; human type; Nordic in appearance. Can breathe our air, etc. The Dals assist all others with the ERRRA-Plejarans. The Plejarans are affected by our air pollutants with sinus problems. They mature at 10 years, attend schooling until 70 years and marry at 110

years. Lifespan over 1,000 years.

Star System Deneb

Planet Epsilon Eridani Brian Scott, USA

EPSILON ERIDANIS: (20 LIGHT YEARS AWAY)
is A G-5 TYPE sun (like earth) 82 ERIDANI,
creatures seven feet tall, croc-wrinkled
skin, large mouths and ears, three fat
fingers.

Planet Koldas Carl van Vlierden, Union of
South Africa

Planet Korendor Bob Renaud, USA

Planet Koshnak Rev. David Melindez, Puerto
Rico

Star System Lyra Eduard Meier, Switzerland

LYRIANS: Started evacuating their planet
22,000,000 years ago with advanced space
travel. Settled on planet Earth which was a
single land mass. It was called HYPERBORIA.
Mixed with its inhabitants. Also settled on a
fifthy earthly solar planet from our Sun
calling it MALONA and mixed there with its
inhabitants. They also settled later on
ERRA, a planet of the Pleiades (Plejarans)
and HYADES. They had conflicts (wars
inbetween settlements. Atlantis - Lemuria,
etc. were colonies namedby those earthly
settlers.

Constellation Orion Raphael Chacon, Costa

Rica

Planet Zeti

Constellation Pleiades Eduard Meier

PLEAIDIANS: (Plejarans) Cousins to Lyrians and Earthly humans. They are visiting Earth along with their Vegan cousins having kinship to earthly beings. Other races are also visiting earth having no kinship to humans.

Constellation Pleiades Enrique Carlos

Rincon, Colombia

" " Charles A. Silva, Peru

" " Lloyd Zirbes, USA

Planet Alcyone

Constellation Reticulum William Herrmann,
USA

Constellation Reticulum Betty and Barney
Hill, USA

Zeta Reticula John Salter

ZETA 1 & ZETA 2 RETICULA: Twin SUNS. A race with domed heads, hairless, with skin, four feet tall large orb eyes. Origin unknown, have been studying earth for decades.

Beyond Rigel Phyl _____, USA

Star System Sirius Roger G. Temple, USA

Star System Tau Ceti Brian Scott, USA

Planet UMMO Antonio Ribera, Spain

Star System Vega Eduard Meier, Switzerland

VEGANS: Also are descendants from the Lyrians as are the Plejarans. The Atlantis/Lemurian conflicts on earth resulted in leaving the earth and finding ERRA and HYADES in the Plejaries. In between conflicts and split-ups MALONA was completely destroyed.

Planet Karran Herminio & Bianca Reis,
Brazil
Andromeda Universe Jocelina Mattos, Brazil

ANDROMEDA: Non-physical beings. Sits in a high space council with a Confederation of Planets authority and order.

Planet Clarion Truman Bethrum, USA
Planet Apu Two Aymara Brothers, Peru
Planet Meton
Star System Proxima Centauri Elizabeth Klarer, South Africa
Planet Venus Ron Card
Planet Norca Albert Coe
Planet Iarga Multinational Industrialist

IARGA'NS: (10 LIGHT YEARS AWAY) A race with very powerful bodies, powerful swimmers, Iarga having much water, little land area. Totally unlike humans. Visiting earth, space vehicles go under water.

Planet Verdant Philip Krapf
Planet Mirassol Sr. Valdemen Menussi
Planet Orion of Aldeboron Martin

Wiesengruen

Planet Itibi Ra Ludwig Pallman

Abduction at Botucatu Rodolfo Cassellati
and Joao Valerio de Silva

Planet NEP-4 Oswald Gonzales

Planet Baavi Algerian - Mr. Y.

Planet Biaveh Riley Martin

BAWWI: An unknown race of visitors.

CYGNUS: An unknown race of visitors. As
many other space visitors coming to earth.

Nol System - The Druans Eduard Meier

Parts of the above were compiled by John
Parker. If you have any more to add to the
list please send them in and I will
incorporate them. Thanks.
