**UFO – Phantom  
in chase over  
South Tehran**

TEHRAN — Two jet fighters of the Imperial Iranian Air Force were chased by a highly maneuverable, fast-moving object over the suburbs of Tehran on Saturday night authorities received reports Sunday.

The two jets first informed by Mehrabad Airport Central Power officials who said the object was flying at an altitude of about 10,000 feet over the southern area of the city flashing alternate red, blue and green lights.

The Iranian air authorities immediately informed the Air Force which sent two Phantoms to pursue the reported UFO.

The two Phantom jets eventually caught up with what they described as a "something" had been

the hills below. He described it as a "round body" a circumference of about 100 feet and a height of 100 feet. The object had been identified as a UFO.

The Ground Control post at Mehrabad airport was immediately alerted to an all-night search place over the hills in the area to try and find the object.

Late Sunday night reports whether or not the Commanders search party found anything were conflicting. One source said they had been too far from the hills to see the object.

## IRANIAN AIR FORCE JETS SCRAMBLED

### ATTEMPT TO FIRE ON UFO FAILS

Shortly after midnight on September 19, 1976, the Iranian Air Force command post in Tehran, Iran started receiving calls from local citizens reporting a strange object in the sky. The object was variously described as, "Bird-like," "A bright light," and "A helicopter

course, breaking off the intercept,

and headed back for Shahrakhi. After the F-4 turned away from the UFO, the jet regained all communication and instrumentation.

Was the F-4 no longer a threat?

### SECOND INTERCEPTION ATTEMPT MADE

was so rapid that all colors could be seen at the same time.

The Iranian Air Force F-4 were on a course taking them west of Tehran when suddenly another smaller brilliant object came out of the UFO.
