**Issue numbers are expressed in parenthesis at left are those within  
 the year noted**

FATE NOTES:

[1] Regular monthly issues didn't start until Sep 1952 (# 30).

[2] Totally different covers [one art and one text] are known to exist for issues  
 Dec 1958 (# 105) and Jan through Oct 1959: (# 106-115). Others may exist.

[3] The Jan & Feb 1986 issues were BOTH numbered # 430. To fix the problem the  
 Jan 1987 issue was numbered # 441 BUT the Feb 1987 issue was numbered # 443  
 to correct this numbering error.

[4] June 1994 (# 531) was the first of the large format issues.

[5] May 2003 (# 637) was the issue that Fate went back to the small format again.

[6] Issue # 622 was combined as the Jan/Feb 2002 catch up issue.
