☐ Yes Peter! Send me the free Energy Times Newsletter!

You will spend THOUSANDS of DOLLARS for any other unit available that tries to match these claims and there is no guarantee you will be getting what you are paying for!

DISCLAIMER

This is a BEDINI RPX SIDEBAND GENERATOR for experimental use only.

No claims are given and the user assumes full responsibility for how they use it. This device is sold only as a research and test instrument. There are no other purposes or applications for this device that are claimed or implied in any manner whatsoever. By purchasing this device, you are agreeing to a no-refund policy.

**FORGET ABOUT COMPLICATED
UNITS THAT
REQUIRE YOU TO PROGRAM IN
DIFFERENT
FREQUENCIES BECAUSE IT IS A
COMPLEXITY
THAT IS COMPLETELY
UNNECESSARY AND IS NOT
WHAT RIFE WAS DOING!**

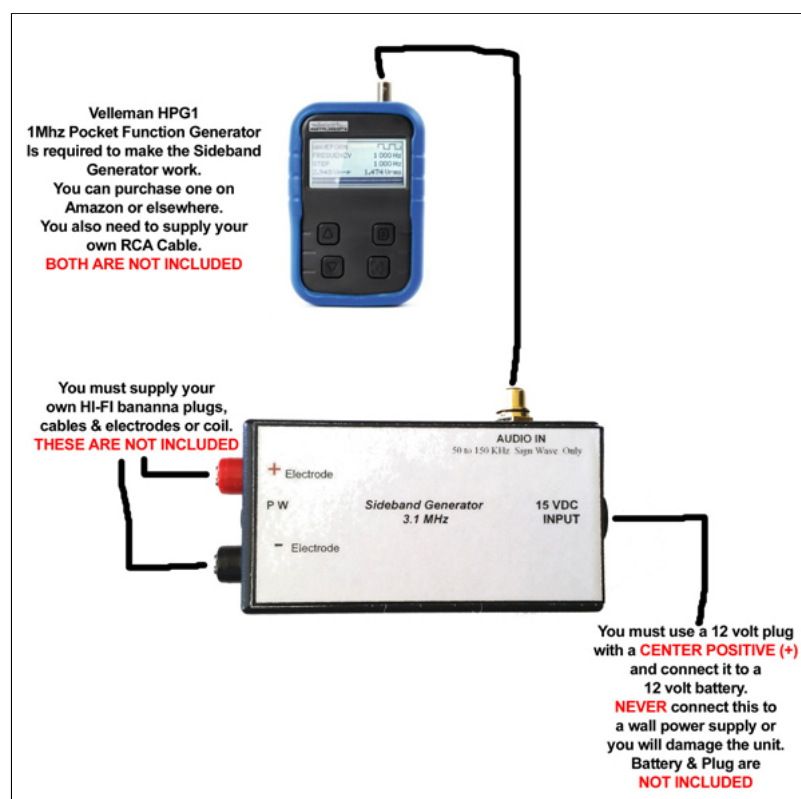

The ***Bedini RPX Sideband Generator*** is not only the lowest cost

unit available, it is the SIMPLEST -
look below to see how simple it really
is...

*** 3 SIMPLE STEPS ***

1. Connect a function generator with a RCA cable and set it to the proper frequency range and sweep mode.
2. Connect electrodes with banana plugs.
3. Hook a 12v battery to it with a common center positive plug.

THAT'S IT!!!
